

Spectacle!

You step towards an ancient arcade machine and begin to play only to find that the enigma has trapped you inside! Bounce and launch the ball upwards to strike back at the enemy and elude the grasp of the evil game!

OBJECTIVE

Maneuver the falling ball up towards the evil eye.

- (1) Every level the eye has 3 lives and will get angrier over time
- (2) Defeat the eye's 3 lives before the time runs out to complete the level

CONTROLS

Tap anywhere on the screen to switch the clouds and slides on and off.

tap when over the arrow to **launch!**

the ball will **bounce** off of clouds

the ball will **roll off** of slides

PORTALS

Send the ball into a portal to teleport it. Be careful though - the ball keeps its speed and direction after it teleports!

HOLES

Avoid holes at all costs! Falling into holes cause you to lose and restart the level.
