

# Fallen Flame

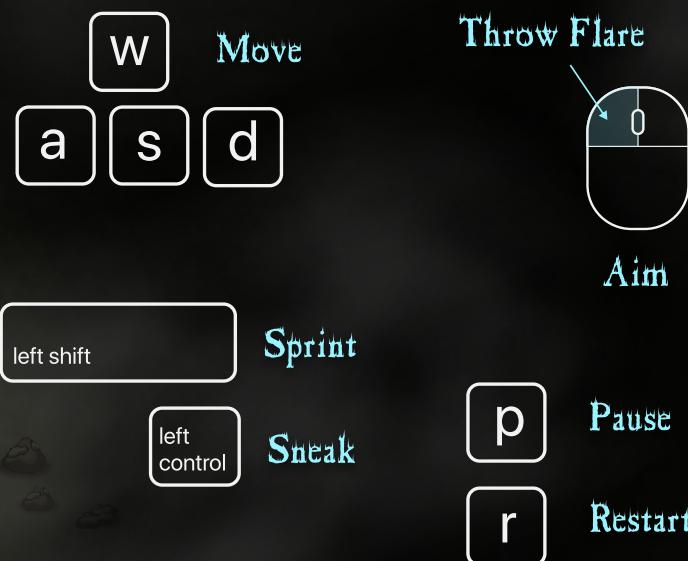

In a world engulfed in smoke and ash, life thrives in floating cities above the clouds. But your airship has crashed, and now you must survive and escape the perilous darkness with only your Fire Buddy's light.

## Objective

Get to the exit of each level alive.

## Controls

Controls can be modified in the game.

## Abilities

### Sprint

Run quickly away from enemies with greater visibility.

### Sneak

Slowly sneak away from enemies without being seen.

### Throw Flare

Throw a flare to distract and misdirect enemies away from you.

## Enemies

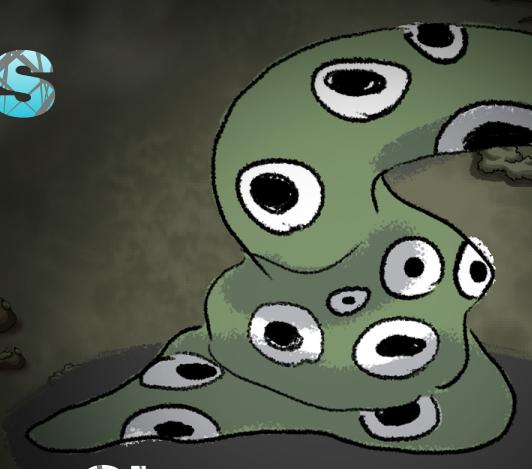

### Ghost

If you run out of your sneak and sprint resource, the Ghost will come straight for you.

### Patroller

Patrollers wander around levels and chase you if they see you.

### Shooter

Shooters will throw slime at you if they see you.
